DR. BARKER'S BLOOD BUILDER

Nature's most wonderful remedy for destroying poisons in the blood and building up a pure healthy blood, no matter how diseased the system is.

It is universally conceded that seventy-five per cent of the diseases with which the human family suffer to-day are produced by some poisonous germs in the blood of some derangement of that life giving and sustaining fluid. Physicians tell us that one in every twenty persons is infected with poisonous microbes. It is easy then to understand how blood diseases are so prevalent and needs but little argument to show why a simple vegetable remedy, which destroys and expels these poisonous germs, is the only true blood purifier. It will cure scrofula, cancerous tumors, from mercurial poisoning; eczema, acne, psoriasis, chronic ulcers, carbuncles, boils. It is a true

**Dr.

Asthma
Cure.**

AN IMPORTED REMEDY which is having an immense sale in countries where Asthma prevails. Sears, Roebuck & Co. having received reports through their foreign agents of the wonderful effects of this remedy in relieving and curing asthma, determined to secure it for the benefit of their customers who might be suffering from this terribly annoying complaint. Through influence and expenditure of money they were able to control the introduction of this valuable remedy to the citizens of the United States, and become sole agents for its sale in this country. Dr. Allan's Asthma Cure is for the instantaneous relief and permanent cure of all forms of Asthma, Pneumonia, Hay Fever, Bronchitis, Croup and Nasal Catarrh. It is a scientific combination of oxygenating chemicals with herbs, barks and gums, as have proven themselves effective for the relief of Asthma and other afflictions of the respiratory organs, attended with short, difficult or spasmodic breathing. It is the result of many years' study and experiment by a German physician who has devoted especial attention to diseases of the lungs and air passages, that has never failed to give immediate relief or effect a cure when a fair trial was given and used according to directions. This remedy is used by inhalation and as its virtues reach the air passages direct the relief obtained is instantaneous. Plain directions and valuable information is enclosed in each box, and if the sufferer will follow these directions carefully and study what the circular in the box says and act accordingly, mild forms of asthma, hay fever, etc., are often cured in a week or two, but if the disease is old seated and has obtained a firm hold on the system, the treatment ought to be continued for several months, even although the patient may believe himself entirely cured.

This great cure for asthma has heretofore only been sold in \$1.50 packages, but we have been enabled to have a quantity of trial packages put up for 50 cents each.

MOTHERS

Read What we Say About Our

RELIABLE WORM SYRUP AND WORM CAKES.

You can save your children from much suffering and in many cases save their lives. No other disease is so fatal to children as worms. Unfortunately they are seldom free from them, and as the symptoms resemble those of almost every other complaint, they often produce alarming effects without being suspected. Worms are not only a cause of disease in themselves, but by their irritation aggravate all other diseases, wandering from one part of the body to another, winding themselves up into large balls, obstructing the bowels and frequently the throat, causing convulsions and too often death. OUR RELIABLE WORM SYRUP effectively destroys the worms and removes the nest in which their young are deposited. It moves the bowels very gently, the worms being to a greater or less extent dissolved by the action of the medicine. Every mother ought to have a bottle of the syrup or a box of the cakes always in the house. The syrup and the cakes are the same medicine in different forms. The syrup is more pleasant to the taste and more suitable for very young children. The cakes can be given to older people, even adults and folks, as well as children, often suffer from worms. These reliable worm destroyers, but act as a general tonic, destroying soursness, the stomach and producing a healthy appetite.
